**Log of activities (with times, continue on back)**

*Example entry: Task 1 (20 minutes). We each spent a few minutes reading the task and thinking about it individually, then we shared our ideas and decided to try an exhaustive search. We each tried to do it individually using the Sage tools on the website, and Ahmed and Bobbie got it working first and showed the rest of us how to do it; it turned out the others had made simple syntax errors which we diagnosed. Then...*

**Questions for your teacher.**

**What could your group do better next time?**
