The purpose of this assignment is to reflect on how your preparation for the exam influenced the exam (for better or for worse) and to help me to gain insight on your experience and how I can best support your learning. You will be graded on completeness, not on whether your answers make you look good. Answer all free-response questions in complete sentences.

Turn in your exam along with your quiz.

This assignment will be entered as "Quiz 7" in D2L.

1. How satisfied were you with your score on this exam?

very satisfied satisfied neutral unsatisfied very unsatisfied

- 2. When did you start preparing for this exam?
- 3. Approximately how many hours did you spend preparing for this exam?
- 4. Describe your preparation strategy. What did you spend your time doing?

5. Now that you have looked over your exam, what didn't go well? (Ran out of time, wasn't sure what the question was asking, trouble remembering formulas, careless mistakes, etc.)

6. Based on your preparation strategy and the actual exam, what are some things that you did well in preparing for this exam and should continue?

7. Based on your preparation strategy and the actual exam, what are some things that you could do differently in preparing for the next exam? (This question is optional if you scored 95% or better on the exam.)

8. In the plan you have laid out about, is there anything I might be able to do to help? If so, name one thing.

9. Re-work one question from the exam (that you did not earn full credit on) and write a few sentences on the correct procedure and how you will try to avoid making the same mistakes in the future. I strongly encourage you to do this for every problem on the exam and I will read through everything you turn in. (This question is optional if you scored 95% or better on the exam.)
