

MATH 2130-002 FALL 2019

Linear Algebra for non-mathematics majors

Course Information

- Time and location: MWF 10:00-10:50 a.m. in HLMS 263
- Instructor: Yining Zhang
- E-mail: Yining.Zhang@colorado.edu
- Office: MATH 202
- Office Hours: Monday 2:00-3:00 p.m., Wednesday 11:00 a.m.-12:00 p.m. or by appointment

Course Description

- Prerequisite: MATH 2300 or APPM 1360. Credit not granted for this course and MATH 2135 or APPM 3310. Formerly MATH 3130.
- This course will examine basic properties of systems of linear equations, vector spaces, inner products, linear independence, dimension, linear transformations, matrices, determinants, eigenvalues, eigenvectors and diagonalization. Time permitting, we will also explore quadratic forms and symmetric matrices.

Textbook

Linear Algebra and Its Applications by David C. Lay, Steven R. Lay and Judi J. McDonald (5th edition).

Grading

Homework	20%
Quizzes	10%
Midterm 1	20%
Midterm 2	20%
Final	30%

Course Work

- Homework: Homework will be assigned weekly and posted on **Canvas**, and will typically be due at the beginning of class on Wednesday. **No late assignments will be accepted.** Any assignment not turned in on time will receive a zero. To allow for unexpected conflicts two of the lowest assignment scores will be dropped.
- Quizzes: There will be about 10-12 quizzes. The two lowest quiz scores will be dropped. If you miss a quiz for any reason you will receive a zero. **There will be no make-up quizzes.**
- Exams: There will be two in-class exams and a final. **No make up exams will be given** without official documentation or prior arrangement.

Exam dates

Midterm 1 **Friday, October 4**
Midterm 2 **Friday, November 8**
Final Exam **Sunday, December 15, 7:30 p.m.-10:00 p.m.**

Help Outsides of Class

There will not be enough time to answer all questions from the material, homework assignments, quizzes and, tests. Several options for help outside of class are available

- Come to class a few minutes early. Your instructor may be available for a few questions.
- Visit your instructor during office hours or make an appointment to meet with them.
- Math help is available in the Mathematics Academic Resource Center (MARC) in Math 175. The MARC is a free service provided by the Department of Mathematics that offers students additional support for their CU Mathematics courses. To find out more about the MARC tutoring schedule and other general information, please visit the web page at <http://math.colorado.edu/marc>.
- You can find other useful information, such as tutor list, at <https://www.colorado.edu/math/undergraduate-program/resources-undergraduate-students>.

No class dates

Sep. 2 Labor Day
Nov. 25 & 27 Fall Break
Nov. 29 Black Friday
Dec. 13 Reading Day

Syllabus Statements

ACCOMMODATION FOR DISABILITIES

If you qualify for accommodations because of a disability, please submit your accommodation letter from Disability Services to your faculty member in a timely manner so that your needs can be addressed. Disability Services determines accommodations based on documented disabilities in the academic environment. Information on requesting accommodations is located on the Disability Services website. Contact Disability Services at 303-492-8671 or dsinfo@colorado.edu for further assistance. If you have a temporary medical condition or injury, see Temporary Medical Conditions under the Students tab on the Disability Services website.

CLASSROOM BEHAVIOR

Students and faculty each have responsibility for maintaining an appropriate learning environment. Those who fail to adhere to such behavioral standards may be subject to discipline. Professional courtesy and sensitivity are especially important with respect to individuals and topics dealing with race, color, national origin, sex, pregnancy, age, disability, creed, religion, sexual orientation, gender identity, gender expression, veteran status, political affiliation or political philosophy. Class rosters are provided to the instructor with the student's legal name. I will gladly honor your request to address you by an alternate name or gender pronoun. Please advise me of this preference early in the semester so that I may make appropriate changes to my records. For more information, see the policies on classroom behavior and the Student Code of Conduct.

HONOR CODE

All students enrolled in a University of Colorado Boulder course are responsible for knowing and adhering to the Honor Code. Violations of the policy may include: plagiarism, cheating, fabrication, lying, bribery, threat, unauthorized access to academic materials, clicker fraud, submitting the same or similar work in more than one course without permission from all course instructors involved, and aiding academic dishonesty. All incidents of academic misconduct will be reported to the Honor Code (honor@colorado.edu; 303-492-5550). Students who are found responsible for violating the academic integrity policy will be subject to nonacademic sanctions from the Honor Code as well as academic sanctions from the faculty member. Additional information regarding the Honor Code academic integrity policy can be found at the Honor Code Office website.

SEXUAL MISCONDUCT, DISCRIMINATION, HARASSMENT AND/OR RELATED RETALIATION

The University of Colorado Boulder (CU Boulder) is committed to fostering a positive and welcoming learning, working, and living environment. CU Boulder will not tolerate acts of sexual misconduct intimate partner abuse (including dating or domestic violence), stalking, protected-class discrimination or harassment by members of our community. Individuals who believe they have been subject to misconduct or retaliatory actions for reporting a concern should contact the Office of Institutional Equity and Compliance (OIEC) at 303-492-2127 or cureport@colorado.edu. Information about the OIEC, university policies, anonymous reporting, and the campus resources can be found on the OIEC website.

Please know that faculty and instructors have a responsibility to inform OIEC when made aware of incidents of sexual misconduct, discrimination, harassment and/or related retaliation, to ensure that individuals impacted receive information about options for reporting and support resources.

RELIGIOUS HOLIDAYS

Campus policy regarding religious observances requires that faculty make every effort to deal reasonably and fairly with all students who, because of religious obligations, have conflicts with scheduled exams, assignments or required attendance. In this class, contact the instructor for making appropriate arrangements.

See the campus policy regarding religious observances for full details.
