

Individual Homework #1: Due in class Friday, January 18

Please read Sections 1.1–1.3 in the text, and do, and hand in, the following exercises from Section 1.3.

Part 3: A Measles Epidemic (pages 23–24): Exercises 14–20.

Part 4: Other Diseases (page 24): Exercises 21ab, 22.

In completing this and *any* homework assignment, please adhere to “Homework Assignment Guidelines” link under the “General Information” header of our course page: write in complete sentences, etc. Failure to do so **will** affect your course grade!!

General note on all homework. When you are assigned any exercises from a *part* of an exercise set (for example, **Part 3, A Measles Epidemic**, in the Section 1.3 Exercises), make sure to read *carefully* all the information that appears at the beginning of that “part,” before the exercises themselves. This information will apply to all exercises in the “part”!!
