

Reading for Weeks 14 and 15

Please **read** Sections 12.1–12.2 (pages 196–205) and 13.1–13.3 (pages 217–231) of T-BOP. Also please **read** Part C(vii) of S-POP.

Important note: Your quiz on Friday, December 4 will cover the material in T-BOP (Sections 12.1–12.2 and 13.1–13.3) only. The reading from S-POP will not be covered on the quiz. It will be covered in class during the last week of classes, and is certainly fair game for your in-class final exam. (There will be no quiz on Friday, December 11.)

Also, there is **no** index card Due Monday, December 7 (last week of classes).
