

MATH 4140. HOMEWORK 11

There are no more homework problems, but please carefully read Chapters 1–6 of the textbook, our lecture notes, and your previous homework problems again. Reflect on the material, and let me know if you have any questions.

The final exam will be available on Canvas from 11:59 a.m. of Saturday, May 1 to to 11:59 p.m. of Sunday, May 2. The exam will be cumulative. It will contain six to eight problems that are similar in format to those on the midterm.
